2018 BILL'S BEER RUN SPONSORSHIP

ABOUT THE MANASOTA TRACK CLUB

The Manasota Track Club is a 501-c-3 non-profit organization that was founded in May of 1975 to serve the running community of Sarasota and Manatee counties. The club consists of approximately 740 family memberships, but has well over 1,400 individual members in total. We are a sub-chapter in good standing of the Road Runners Club of America and also a member of the USA Track & Field Association.

The MTC is organized to champion healthy, active lifestyles through the promotion of running and walking as a means of achieving lifelong fitness. The club sponsors numerous social, charitable and running events throughout the year.

Each year the club, through its volunteer base and race management services, helps numerous other local non-profits raise awareness and revenue for their worthy causes. Many of these community partnerships have been in existence for more than 20 years. Last year the MTC helped local organizations raise more than \$210,000.

Since its inception, the club has partnered with Sarasota Parks and Recreation to sponsor the Summer Beach Runs. This is a unique summer-long event held each Tuesday evening on the Siesta Key Beach. It is not unusual to see over 500 kids and as many as 300 adults gather each week for a run/walk of some sort.

The Manasota Track Club Scholarship Program was founded in 2007 to provide deserving local area student athletes with scholarships toward their college tuition. In the past nine years the MTC has awarded more than \$90,000 in college scholarships to deserving local student athletes.

The proceeds from BBR support the MTC scholarship program, the summer beach runs, school running programs, and other activities that promote healthy lifestyles.
